## EDITOR'S FOREWORD

As Westfield Senior High School has built this year to provide its pupils with the facilities to acquire more knowledge, so too are we, the students, building a foundation for our lives. The stones that we have laid during our high school years will leave behind us a tradition and a memory and will provide a sturdy framework for the future. This building process does not end with high school, for we must continue to work for a successful finished product which will be achieved in maturity.

# WESTFIELD SENIOR HIGH SCHOOL

HE HELPS US BUILD OUR WORLD

The members of the Class of 1960 are proud to dedicate this yearbook to guidance director . . .

# VINCENT F. WASHVILLE

Youth must build their world

From their own mind and heart,

Yet elder wisdom helps

To guide them from the start.

The man who guides is blessed,

Has power over all.

Many leaders of our youth

Our memories can recall.

To one such guide we here

Express our gratitude

For help and understanding

And goals to be pursued;

Mr. Washville confers with Jane Yeager, senior, about her college plans.

For plans to make and keep,

For techniques of success,

For patience with our faults,

And praise for worthiness.

We won't forget our counselor,

Our many interviews,

His warm and winning smile—

His "snappy" white buck shoes.

The busy guidance instructor arranges for a career-day speaker on his ever-ringing telephone.

# FOOTBALL

For the first time since 1954, the Westfield High football team compiled a winning record, five wins against four losses. The team won three out of its first four games, including a 26-0 opening-day victory over Clark Regional. Although Les Zorge's squad lost to Rahway, 22-0 in their next game, they defeated Roselle Park 13-0 and squeaked by Roselle, 7-6.

After a 42-0 whitewashing by Columbia, the Blue Devils climbed back into the win column with a 27-6 upset victory over Bound Brook. The Zorgemen insured their winning season the next week with their second consecutive upset win, this time 7-0 over Springfield Regional. This was a notable victory, not only because it promised a season's average better than .500, but also because it marked the first time since the championship team of 1948 that the Blue Devils have shut out three different opponents in one season. In their last two games, the Blue Devils lost to North Plainfield by a 27-12 score and dropped a 7-0 thriller to powerful Plainfield.

Perhaps the finest game of the year was the finale against Plainfield. Anyone who saw the game must have been inspired by the fight waged by Westfield against the heavily favored Cardinal team. After battling through a scoreless first half, the two teams continued evenly until the last play of the third quarter when Plainfield tallied on a one-yard plunge. The fourth quarter was especially hard-fought, with the Blue Devil line turning in a fine defensive effort by halting Plainfield on the Devils' nine-yard line.

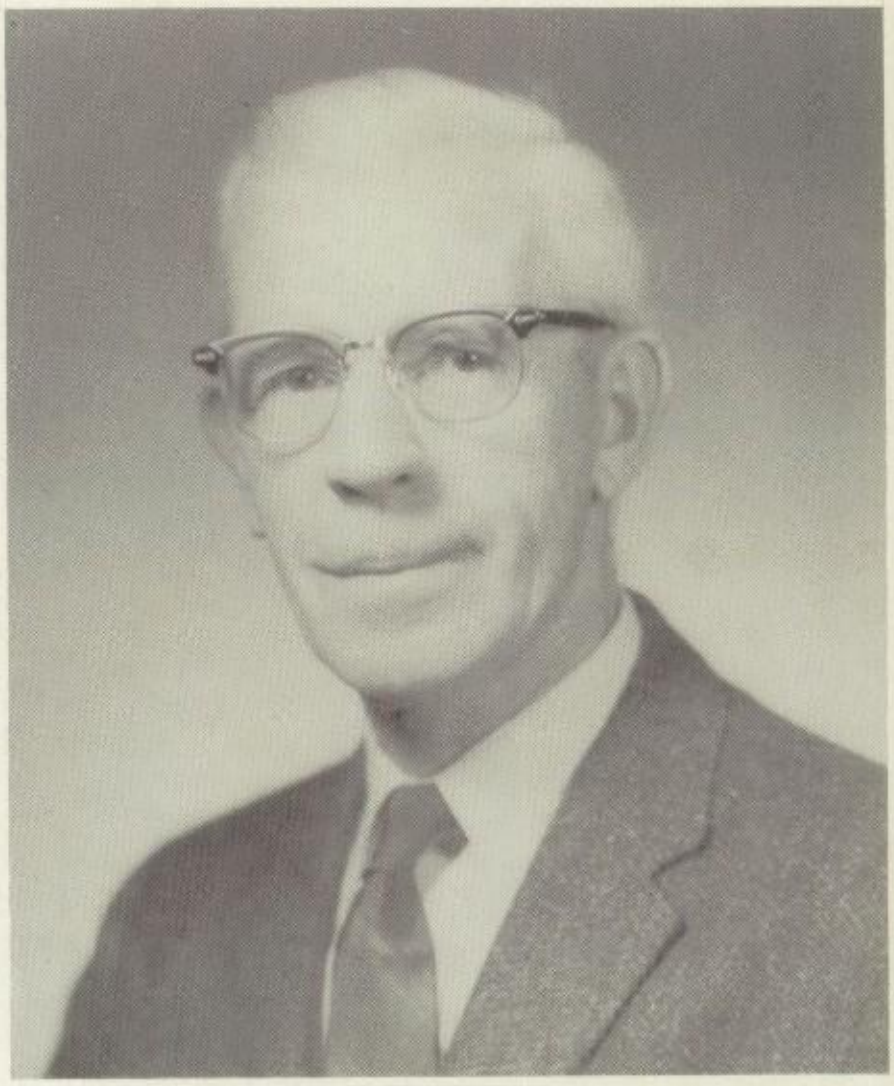
# H. RUSSELL STILES



One of the most familiar faces in the Westfield Senior High sports program has been that of H. Russell Stiles, the school trainer. After twenty years of service to the sportsmen of the school, Russ retired in February to the regret of all who have known him.

Russ came to Westfield High School in 1936 after receiving three years of preparation at Alexian Brothers Hospital in Elizabeth. He has attended lectures at Cornell University, City College, and New York University on the care of athletes.

As a member of the National Trainers Association, Russ handled over 15,000 student athletes. In addition to his skillful application of countless miles of tape and bandages, he employed psychology in caring for his injured. Russ believed that nothing can hurt the recovery of an athlete more than a mental block.

All those who have known Russ are acquainted with his warm personality and subtle sense of humor. Nothing was ever more comforting to an injured athlete than a few words of reassurance from Russ.

It is with sincere sorrow that we say farewell to a great trainer and friend of all boys. We certainly wish him the best of everything in a very happy retirement.

## THE CROSS COUNTRY TEAM—1960

This year's cross country team was a pleasant surprise to everyone. Although there was only one letter winner returning, and there were no brilliant prospects, the team compiled a favorable 10-2 record, losing only to Columbia, which placed first in Essex County, and Union, which placed second in Union County. Our team placed fifth in the county meet and fourteenth in the state meet. The six lettermen who made the season so successful, and who will all be returning next year, are Sarge Gehrlein, Bill Dowell, Dick Parrish, Dan Scofield, Dick Zaparanick, and Bryan Mackey, next year's captain-elect.

# BASKETBALL

Westfield's hot and cold basketball team posted an 11-9 record in the regular season. After dropping its first two games, the team caught fire and rolled over eleven of its next thirteen opponents. The 56-37 victory over Scotch Plains and the 54-39 upset of Linden were the two biggest victories in the streak. After bowing to red hot Union, the Devils dropped decisions to four of the finest teams in the area.

In the first round of the Union County Tournament, the team trounced Roselle Park, 60-28, Jim Mowry leading the way with sixteen points. The squad then upended third seeded Roselle by one point, 46-45, on Charlie Hoppin's layup in the last minute of the game. A powerful St. Mary's team eliminated the Laymen in the semifinals, 41-26.

In the New Jersey State Tournament at Upsala College, the Blue Devils defeated a strong Jefferson five by a 51-46 score. But when the scene of action changed, so did Westfield's fortunes as the team lost to Perth Amboy, 52-44, at Highland Park High School in the final game of the season.

## THE SWIMMING TEAM—1960

Westfield's swimming team completed its third consecutive undefeated season with a 13-0 mark, running its string of dual meet victories to forty-five in a row, all under Coach Joe Kursar, whose mermen have lost only one meet during his four years at WHS.

The ace of the 1960 team was Dan Nichols, who shattered three free-style school records on his own and who shared in the conquest of two relay records. Others who shared in the record-breaking 160-yard medley relay were Hank Marshall, Bill Smart, and John Weinmann. Marshall and Weinmann later established individual records, in the 100-yard breaststroke and the 160-yard individual medley, respectively. Captain Weinmann along with Greg Weiss and Skip Rollins also helped Nichols break the 160-yard free-style relay.

The team continued its brilliant performance at the Union County meet where it won its fourth consecutive championship capturing 59½ points. There the Devils set two new county records: Marshall in the 100-yard breaststroke and Nichols in the 100-yard free-style.

However in the New Jersey State meet, Westfield failed to annex their third straight crown as Columbia nosed out the Blue Devils by just six points. The Devils had nine finalists in the meet, including Nichols, who rewrote the 50-yard free-style record, and Rick Wells, who took first place in the diving competition.

## WRESTLING TEAM — 1960

For the second year, Westfield's wrestling squad came through with a strong winning season. Finishing with a 10-2 mark, Coach Gary Kehler's grapplers showed their best in snapping Roselle Park's 14-match winning streak, 20-19.

Columbia, North Plainfield, Johnson Regional, Perth Amboy, Manville, Scotch Plains, and Jefferson succumbed to the Blue Devils by large margins. Westfield's other matches, including the two losses to Cranford and Plainfield, were all close.

Westfield had five men reach the finals in the State District 5 Championship Tournament. They were Doug Wight, Bob Maltbie, Gene Barron, Bob Mueller, and Dennis Powers. Mueller was district champion in the 157-pound weight class; and Powers, wrestling in the 130-pound weight class, went on to become Westfield High School's first state champion.

Maltbie, Wight, and Powers completed the regular season with perfect records. Other successful wrestlers were seniors Mueller, Barron, Wistar, Morash, Anderson, and Shapiro. Next year's team will be headed by Sims, Benedetti, Wight, Vigilanti, and Braun.

# THE BASEBALL TEAM - 1960

As Coach John Lay enters his second season as head coach of the baseball team, he has another schedule of top flight opponents to face. Returning from last year's varsity squad are four lettermen. Smitty Lanning, this year's captain, is slated to play every inning, either pitching or at first base. Charlie Hoppin will be seen at shortstop. The position of either second or third base will be held down by Dave Wilday. Chuck Getter will be roaming the outfield. With this core the Blue and White should be able to build a smooth working unit.

Behind this foundation is a fine group of juniors, promoted to the Varsity from Coach Les Zorge's JV's. John Williams and Charlie Felter will be needed in the catching department. Tony Reid will be counted on to bolster the pitching staff. Infielders will include Jim Wilday, John Loepsinger, Ted Kyak, and Art Garvin. Patrolling the outfield will be Ron Vigilanti, Ross Mannino, and Dave Reitze. The season, although a tough one, promises to provide many exciting moments.

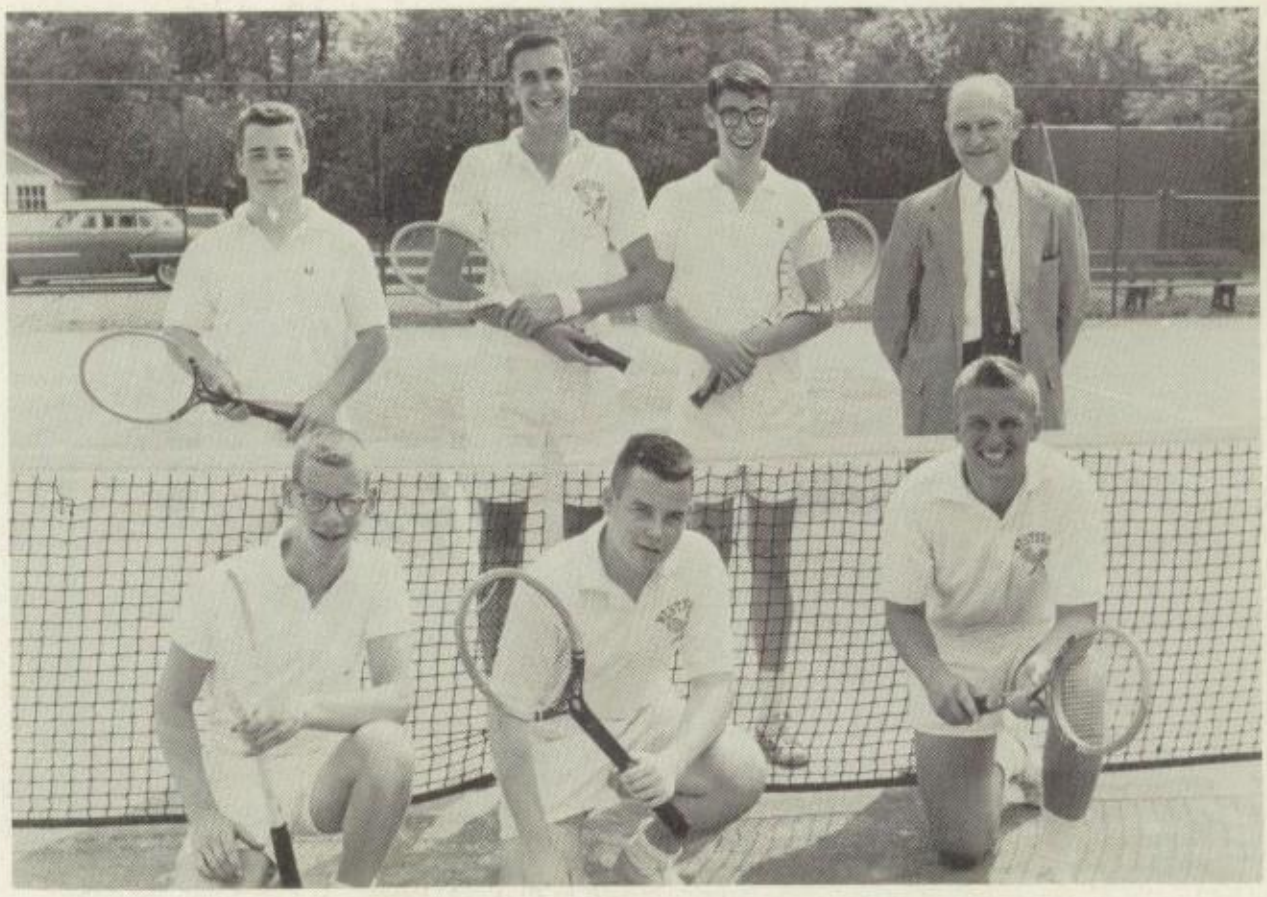
# THE TRACK TEAM - 1960

This year's Blue Devil cindermen will have a hard time duplicating the 8-1 record of last year. Besides the loss of fourteen senior members, including county winners Dan Pearce, Ed Ayres, and Jim Heatly, the departures of Jim Leitz and Jim Jones have also dealt a severe blow to Coach Duncan's chances for an outstanding season. High jumper Jim Mowry is Westfield's only remaining member who placed in the annual county meet last year.

Two welcome additions to the track team are Ed Miner, a Jefferson transfer, and Gil Corde, a former resident of Puerto Rico.

Bob Duncan is expected to carry the load in the weight events by competing in the shotput and discus. An abundance of javelin throwers will balance out the weights. John Keairnes and Jim Mowry, both returning lettermen, will head the high jumpers. Rich Fremon will also be expected to give considerable aid.

In the past Westfield has depended on its running events to carry the team through to victory. This year an overall balance will be required.



**Row one, left to right:** H. Marshall, R. Durgan, J. Thomas. **Row two:** M. Sargent, R. Twitchell, W. Gilson, captain; Mr. Bunting, coach.

# TENNIS TEAM

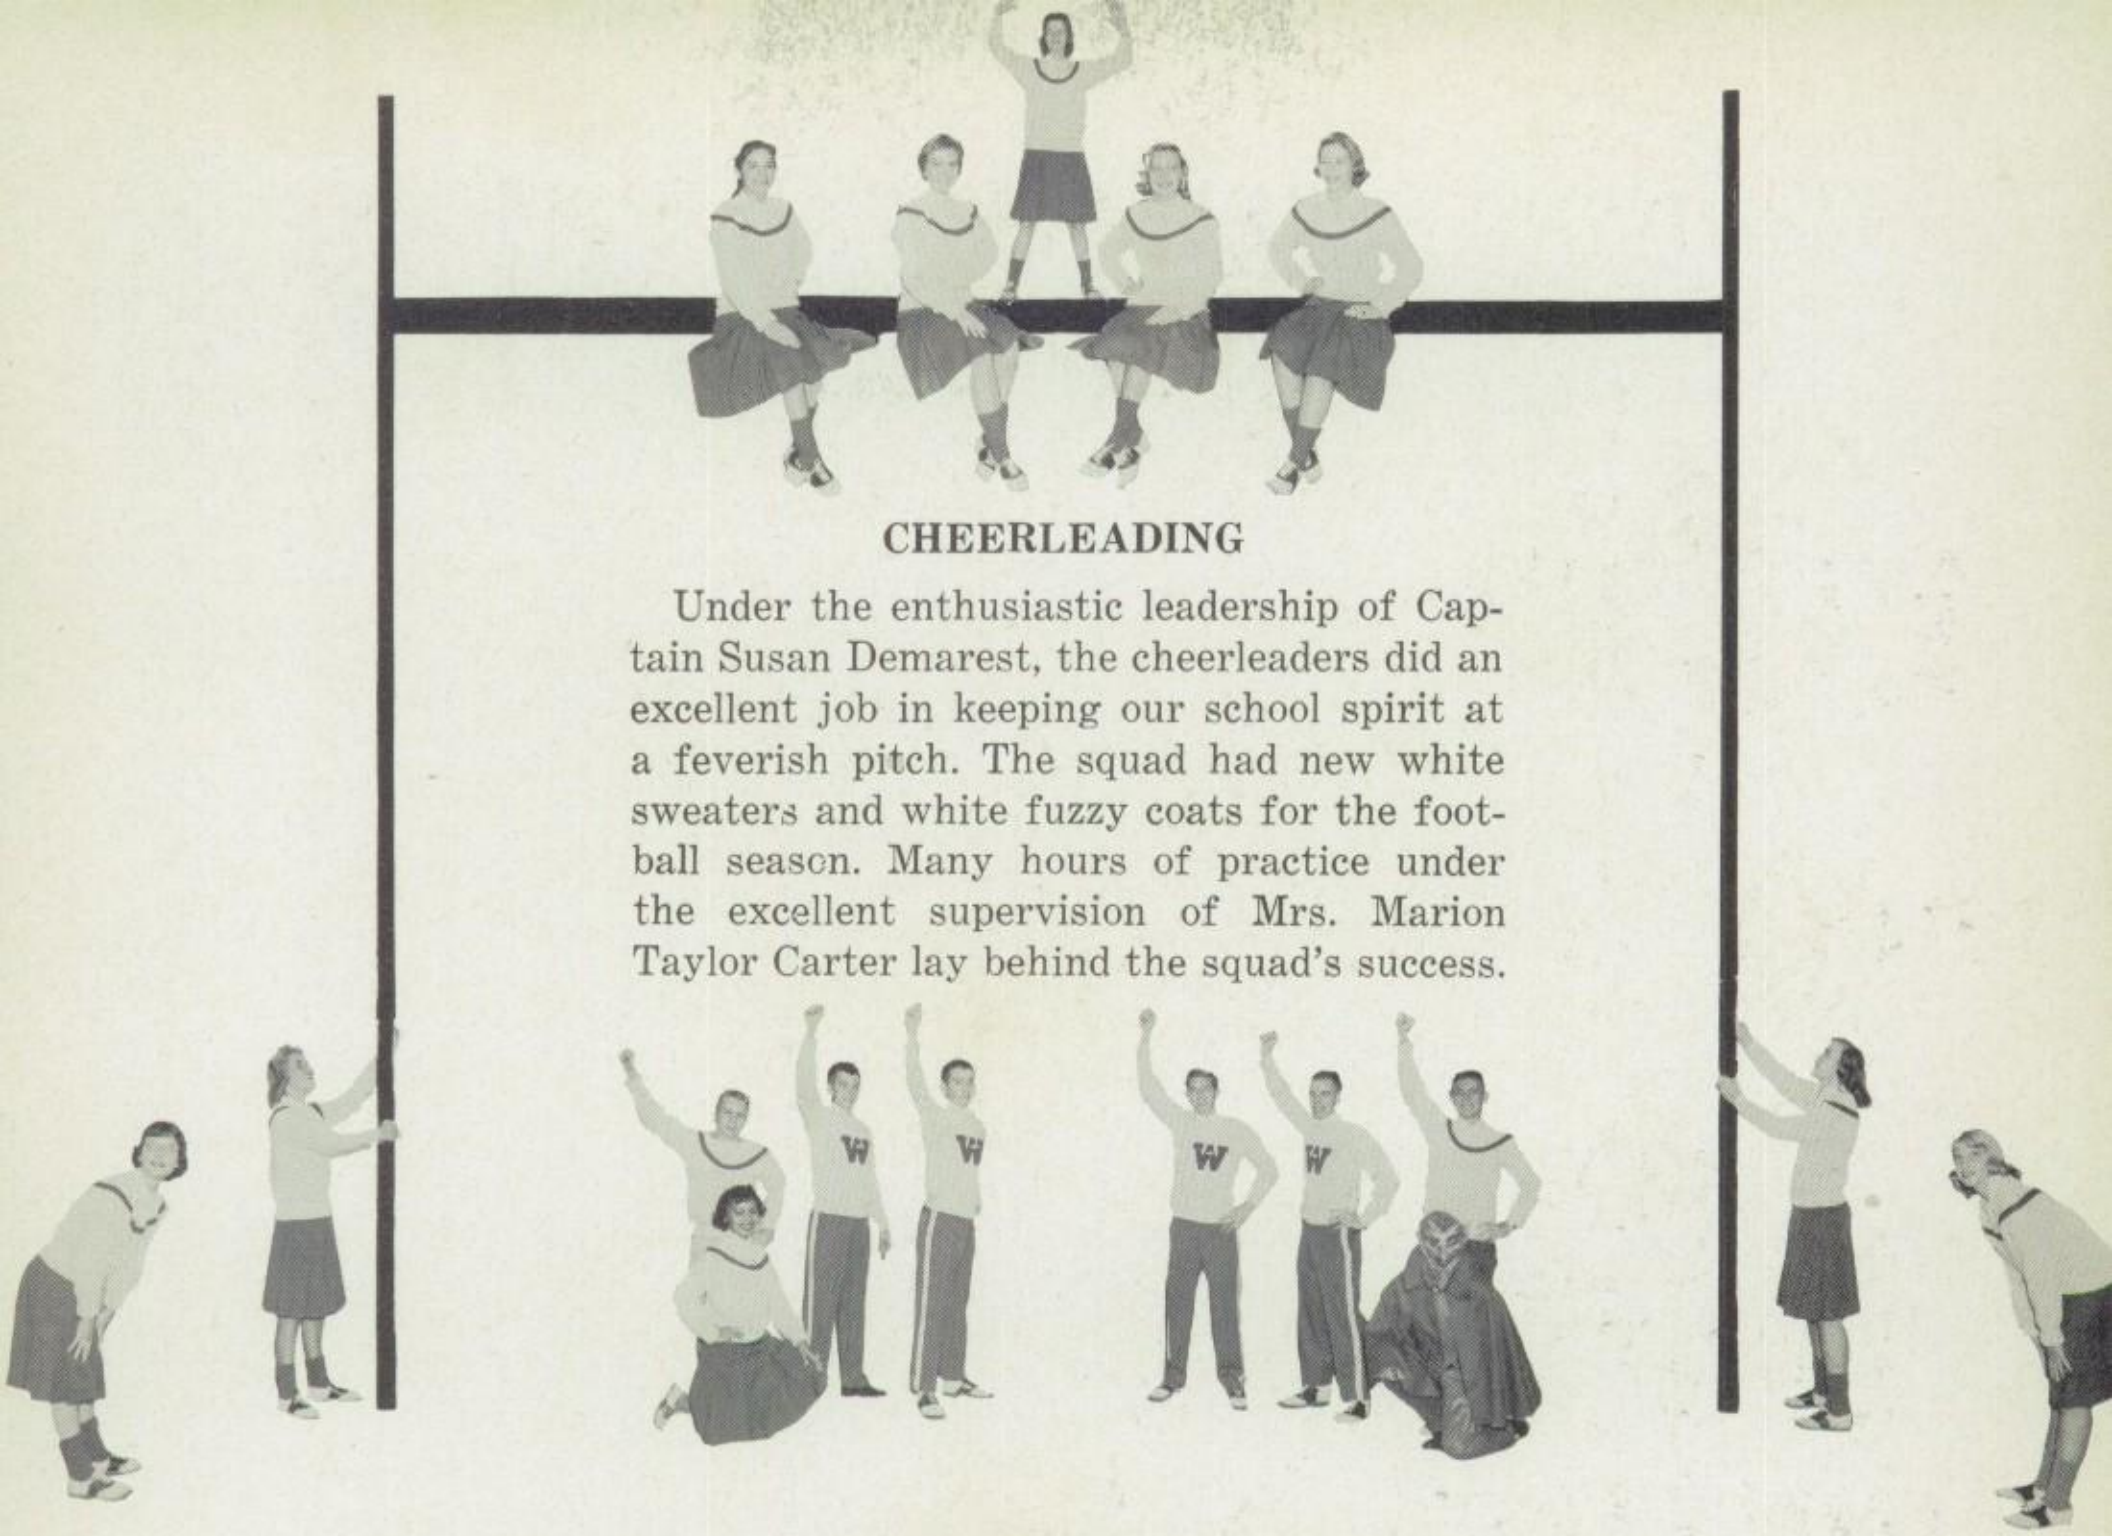
Last year's tennis team, led by Bill Gilson and Rodger Twitchell, capped an undefeated regular season record of twelve victories by winning the Central New Jersey Championship and achieving the quarter finals in the state meet. This year's team, under the guidance of Coach Sam Bunting, hopes to retain its hard-earned championship. The squad has lost only two of last year's seven lettermen. The returning lettermen are Bob Durgan, Jim Thomas, Malcolm Sargent, Hank Marshall, and this year's captain, Bill Gilson.

**Row one, left to right:** B. Hartigan, D. Zaparanick, J. Grant, D. Vanderbilt. **Row two:** R. Daniels, J. Goodwin, L. Wiegman, B. Small, D. Eaton, Mr. Kehler, coach.

# GOLF TEAM

Under the able guidance of Coach Gary Kehler, last year's golf team compiled an impressive record of twelve wins and three losses. The team also won the Union County Championship and placed eleventh in the state.

This year's team will be built around four returning lettermen, Jim Grant, Barry Hartigan, Bob Daniels, and Dean Vanderbilt. With this nucleus Westfield can look forward to a strong team that should equal or surpass last year's fine record.



## CHEERLEADING

Under the enthusiastic leadership of Captain Susan Demarest, the cheerleaders did an excellent job in keeping our school spirit at a feverish pitch. The squad had new white sweaters and white fuzzy coats for the football season. Many hours of practice under the excellent supervision of Mrs. Marion Taylor Carter lay behind the squad's success.

## TWIRLERS

Led by Nancy Werner, drum majorette, and directed by Mary Ann Doctor, captain, the squad of five twirlers performed at all the football games and pep rallies with numerous formations and routines. They also twirled at the Spring Band Concert and in the Memorial Day Parade. This year, their twirling was a sparkling example of the pep shown throughout W.H.S.

# GIRLS' SPORTS COUNCIL

The Girls' Sport Council consists of four elected officers, six representatives elected from eacn of the sophomore, junior, and senior classes, all nominees for officers on the ballot, the leadership chairman, and the Blue and White Secretaries selected by the physical education staff. The council aids in the planning of the physical education program with constructive suggestions, stimulates interest in and promotes the activities offered by the Department of Physical Education for girls, organizes workable projects from the ideas presented in G.S.C., and promotes the social activities of the department. The various projects of G.S.C. are the Sophomore-Sister Program, a program for Back-to-School-Night, the Country Dance, G.S.C. Dessert, and the Physical Education Program. This year's council worked out an operating code for G.S.C. in addition to its regular projects.

# LEADERS CLUB

Early every Tuesday morning throughout the year, about a hundred leaders from the gym classes met to discuss their duties, responsibilities, new ideas, and any problems which might rise. Headed by Harriet Haslam, chairman, and Carol Leone and Paula Sparre, white and blue secretaries respectively, this club serves as a connecting link between the girls and the Physical Education staff.

# GYM PROGRAM

The Annual Girls' Gym Program, which highlighted the efforts of all the girls in the student body, was held in April this year. The girls participated in a program showing their skills in such fields as marching, dancing, and gymnastics. The climax of the evening was the marching competition and the presentation of awards.

Westfield High School's Student Council is the connecting link between the students and the administration. It is the sole organization representing the entire student body and is constantly striving to fulfill its purpose of benefiting the school.

The Council's regular meetings feature discussions pertaining to school situations. In addition to taking charge of the school store, the annual pep rally and bonfire held before the Thanksgiving Day game, the S. A. T. drive, and the elections held each spring, the Student Council sponsors two of the most important dances, the Kick-Off Dance and the Mid-Winter Ball.

The Council also has made it possible to have a foreign exchange student this year and is planning to have another in the near future.

The National Honor Society is an honorary organization of juniors and seniors in the upper twenty per cent of their class displaying the qualities of scholarship, leadership, and service. This year the society, under the sponsorship of Miss Elisabeth Gromlich, carried out many vital functions for the school. It ran a tutoring service for those who were absent from school because of a long illness, aided in help classes, and gave make up tests after school. The culmination of a successful year was the induction of new members at a candle-light service before the assembled school. Dean Meder of Rutgers University made the principal address. Later the group repeated the induction ceremony at a tea for parents and teachers.

New experiences for band members will be going to a Broadway musical and acting as hosts to the children from the Janet Memorial Home in Elizabeth. # ORCHESTRA

The Orchestra is a talented group of musicians who provide the music for many of our dramatic productions. Although the group is rather small, the superior quality of its performance indicates much preparation. This group has added lustre to many a production by playing music in keeping with the mood of the action. This technique adds to the appreciation of both students and parents. The Orchestra is directed by Mr. Robert Banks.

# CHORUS 1

The basis of any production is sound fundamentals, which the girls learn with the assistance of their director, Mrs. Gleason. The members, most of whom are sophomores, elected Cindy Foose chairman and Michele Murphy vice-chairman early in the year. In the Christmas program, the girls sang **O Lovely Star** by Fairchild and a Czech carol, **Let Our Gladness Know No End;** they also appeared in the Spring Music Festival. Their accompanist was Bonnie Bird.

# CHORUS II

The Advanced Girls' Chorus has provided a musical highlight in the Spring Music Festival for many years, and this year was no exception when the group sang **"Pueri Hebraeorum,"** a difficult piece for double chorus. In December the girls sang **Listen to the Angels Shouting, Noel,** and **Swedish Dance Carol** among other selections. For this group Eleanor Stewart served as chairman and Marian Archer as vice-chairman. Eleanor Warwick and Karen Lewis were the accompanists.

# GLEE CLUB

The boys of Westfield Senior High School gain their knowledge of basic musical skills in the Glee Club, an organization appearing at many functions outside of school as well as in the school's Christmas program and Spring Music Festival.

In December this excellent ensemble sang **See That Babe in the Lowly Manger, A Joyous Christmas Song,** and **The Gloucestershire Wassail.** Among their numbers in the Spring production were **I Wish I Wuz, My Rose,** and **Black-Eyed Suzie.** As usual their efforts were greatly appreciated by all who heard them. The boys are known for their ability to sing traditional pieces as well as novelty songs.

The officers of the Glee Club are Dennis Powers, chairman, and Robert Wolfgang, vice-chairman. The only non-male students appearing with the group are Deborah Brix and Diane Varenhorst, accompanists.

# THE TWELVE

A very special group in the Westfield High School music program is the "12", a vocal ensemble of senior girls who recently made their annual appearance in the Spring Music Festival. Throughout the year the girls sang at many functions both in and out of school. Included in their repertoire were **I Enjoy Being a Girl, Blue Room, Singin' in the Rain,** and **Siboney.**

**Row one, seated, left to right:** N. Ullrich, B. Woodruff, accompanists. **Row two, left to right:** J. Bentley, M. Morris, P. Greene, S. Jackson, H. Haslam, H. Nickau, E. Tischler, C. Potter, P. Sparre, C. Leone, B. Nelson. **Absent:** D. Carlisle.

# THE THIRTEEN

Just as popular as the "12" is the "13", a group composed of senior boys. In the many performances of the group, their selections ranged from popular songs like **Get Me to the Church on Time** and **There Is Nothing Like a Dame** to novelty tunes such as **Sippin' Cider.** Occasionally the "12" and the "13" performed together, as they did on Back-to-School Night in November.

**Row one, left to right:** J. Van de Sande, N. Williamson, R. Wolfgang, J. Izatt, G. Crane, J. Mowry, A. Haworth, D. Gilbert, D. Sweet, P. Marsac, R. Maltbie, R. Durgan, R. Barnett. **Center:** K. Lewis, accompanist. **Absent:** P. Somers.

# THE CHOIR

Membership in the choir is the goal of all students participating in the vocal music program at Westfield High School. Traditionally the choir performs three times a year, their first appearance being in the Christmas program that is put on in cooperation with the Dramatics Department. In early April the choir performs in the Spring Music Festival along with the other vocal music organizations, and finally the group sings in the Easter service.

Each year the officers plan three social events for their fellow choir members, including two parties that follow the Christmas and Spring programs. The choir is together for the last time in June when a picnic is held to celebrate the year's achievements and present the senior members with their awards.

The officers of the choir are James Mowry, president; Henry Marshall, vice-president; Harriet Haslam, girls' secretary; Don Gilbert, boys' secretary; and Paula Sparre, treasurer. The able accompanists are Leila Bunnell and Constance Poranski.

# CHRISTMAS TABLEAUEX

## CHRISTMAS PROGRAM

For many years the combined efforts of Mask & Mime, the Art Department, the Choir, and the Home Economics Department have gone into the presentation of one of the most beautiful and artistic Christmas programs in the State. This union of beautifully staged tableaux, reverently presented, and glorious music, faultlessly sung, is a feast to eye and ear. Hundreds flock to enjoy it annually and experience a spiritual uplift. In all, three performances provide opportunities for townspeople and students to witness this traditional program.

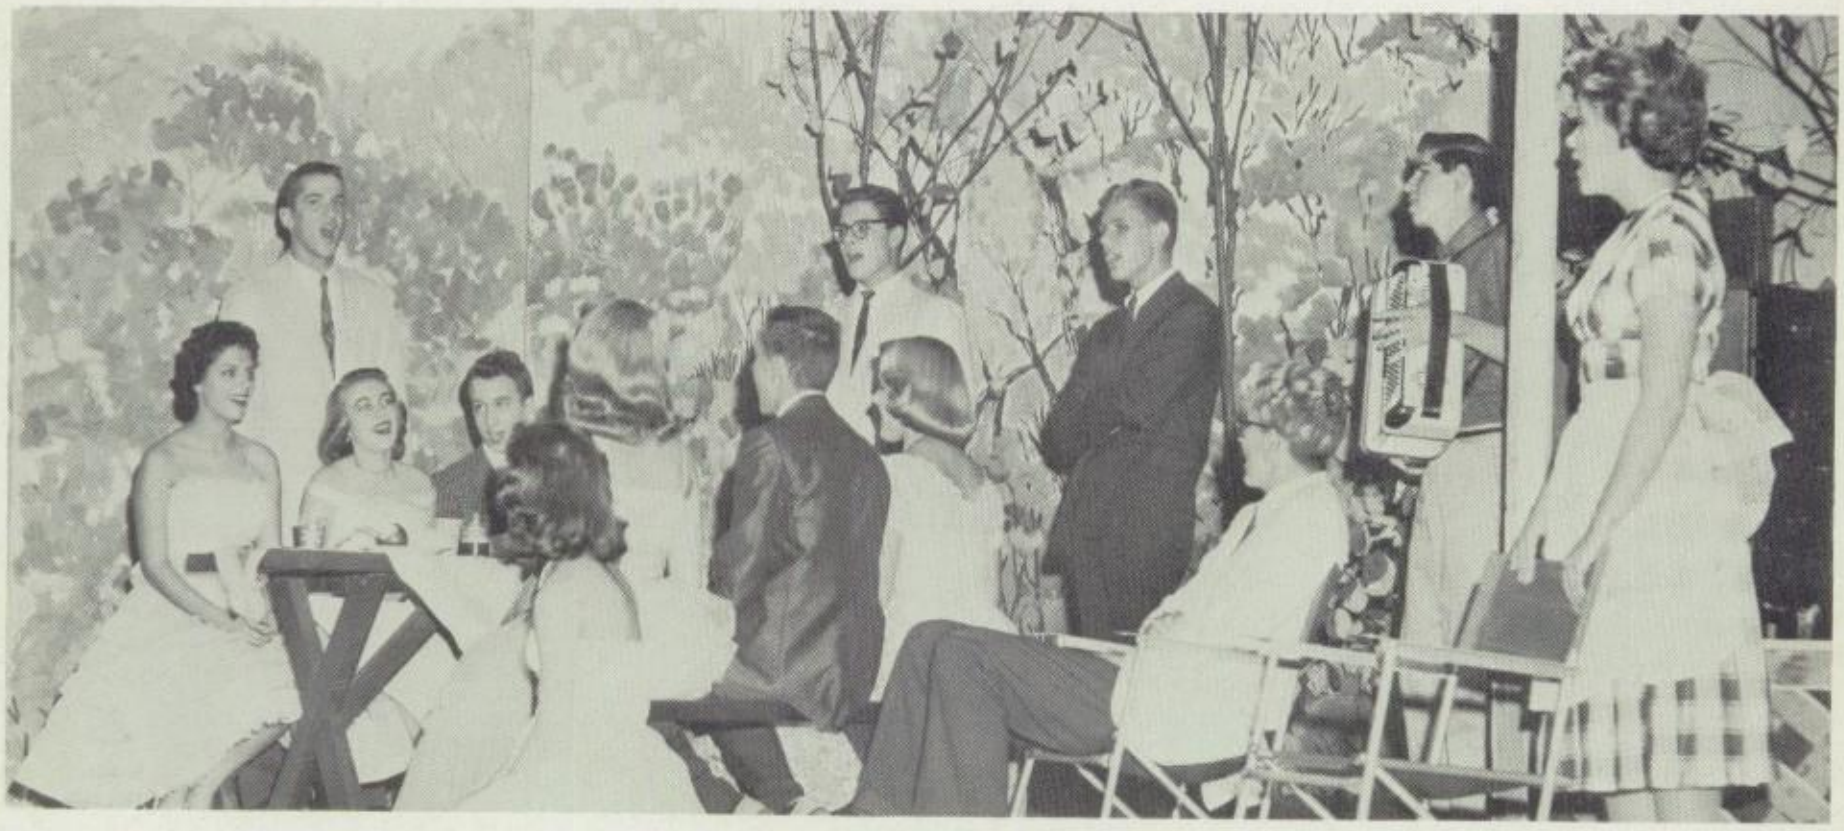
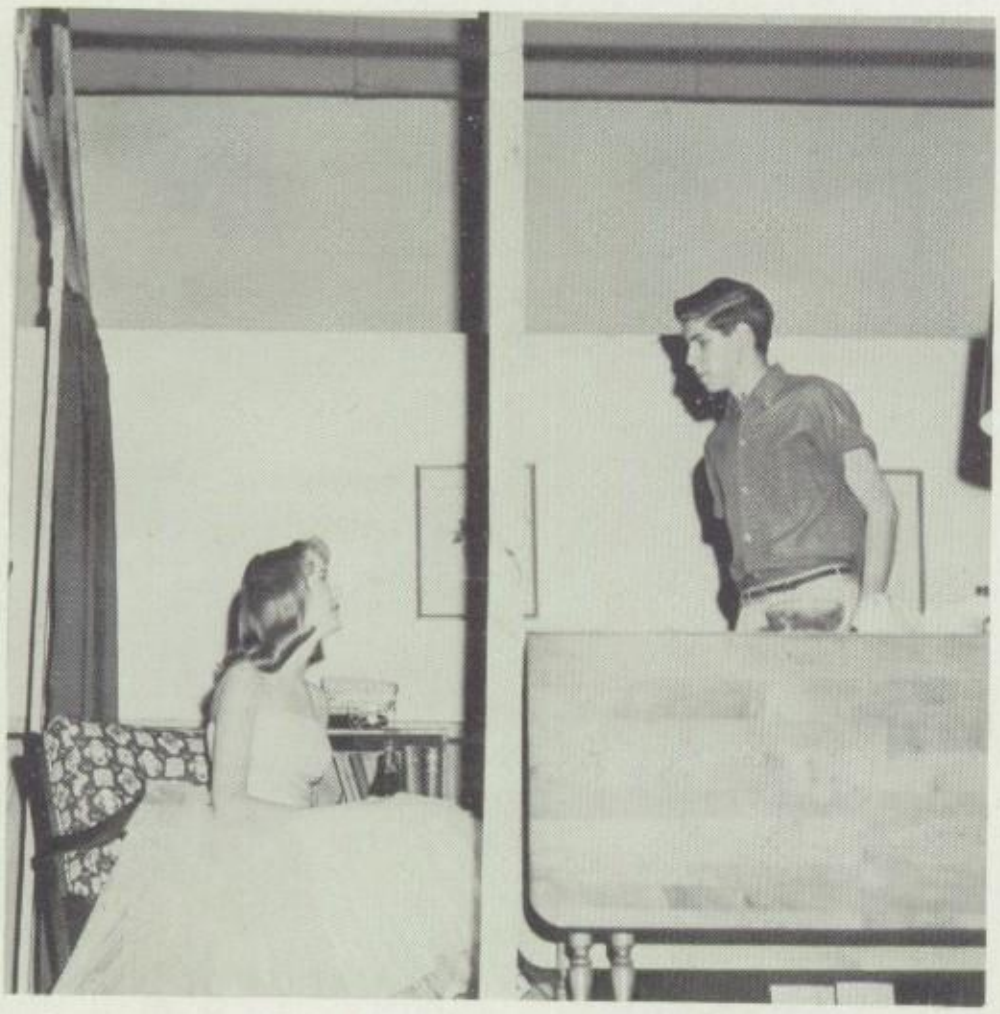
## FALL PLAY: THE FIVE-DOLLAR BILL

"Shine on harvest moon."



**Seated on the floor:** P. Rausch. **Seated in the chair:** K. Banks. **Seated around the table, beginning at the left:** R. Michaels, K. Lewis, F. Bannon, K. Mathiasen, J. Teeple, G. Aurand. **Standing, left to right:** L. Wiegman, P. Culver, E. Peterson, C. Guttenberger, B. Edwards.

"I love to talk."



Gail Aurand and Carl Guttenberger

This play, woven around young people, deals with a real life problem. Ralph, a sensitive boy, desires to be accepted by his parents, his very athletic brother, and his friends. To attract their attention, he steals a five-dollar bill from his mother's purse. With skill and intelligence, Tad Mosel, the author, shows the boys' motivation and the quite typical family situation and develops a fine plot with a highly dramatic conclusion. The play offered fine opportunities for the Mask and Mime cast and provoked thought on the part of the audience.

# THE FASHION SHOW

"Masterpieces of Fashion"

An imaginative setting, featuring paintings by Degas, Renoir, Gaugin, and Toulouse-Lautrec, served as a background for the stunning creations produced under the expert direction of Mrs. Louise Kosak. The Art Department outdid itself, and the Home Economics Department provided the "masterpieces of fashion" which gave this year's show its name. All who were responsible deserve the highest praise, including the students who cut, pinned, and stitched to make the lovely garments exhibited.

# THE SENIOR PLAY

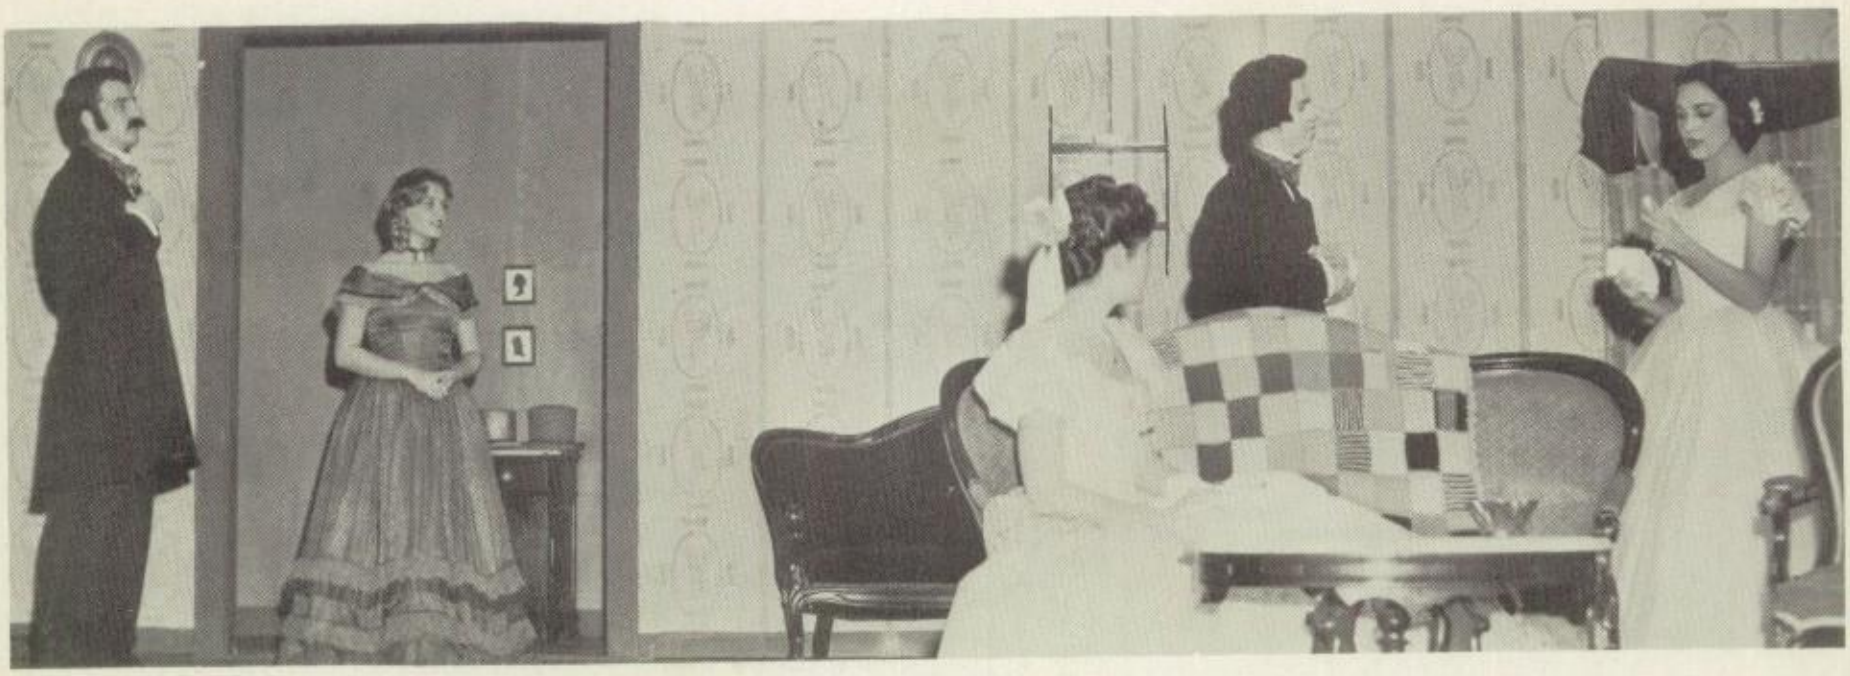
## LOVE IS ETERNAL

The Class of 1960's presentation of **Love Is Eternal,** a dramatization by Ruth Sergel of Irving Stone's novel, was a tremendous success. Giving the play on Lincoln's Birthday, using beautiful period costumes and properties, and including music of Civil War days, sung by the Twelve and the Thirteen, enhanced the effectiveness of the production. Nancy Goodwin and Carl Guttenberger excellently portrayed the roles of the principal characters, Mary Todd and Abraham Lincoln.

Supporting the leads in many familiar roles were the following seniors: Laurence Wiegman, Robert Todd; Judith Girard, Robert's second wife; Lorna Thompson, Grandma Parker; Barbara Kahn, Ann Todd; Margaret Newman, Elizabeth Todd Edwards; David Newbert, Ninian Edwards; Marilyn Haufler, Mammy Sally; Hilary Nickau, Tamar; Leonard Helsby, Dr. Ward; Warren Buhler, Sandy McDonald; Thomas Scott, Cassius Clay; Robert Zimmerman, Stephen A. Douglas; Vera Schomp, Mercy Levering; Jerome van de Sande, James Conkling; Katherine Lane, Allie; David Erion, Dr. Houghan; Mary Fay, Mrs. Houghan; Alan Heinlein, Reverend Dresser; Sherry Jackson, Sarah Marshall; Mary Morris, Elizabeth Grimsley; O'Mara White, William Stoddard; Jeffrey Marshall, Edwin Stanton; Nancy Ullrich, Jane Watt; Carol Potter, First Caller; Joyce Smith, Tax Payer; Thomas Bohannon, Tad Lincoln; Joel Brotman, Stackpole; James Sapp, Auctioneer's Voice; David Pitzer, Nelson's Voice.

The various acts had sets cleverly designed under Mrs. Leslie Schenck's direction. These showed the Todd drawing room in Lexington, Kentucky; the Edwards drawing room in Springfield, Illinois; and the family sitting room in the White House. All were furnished with authentic Victorian pieces.

Miss Brinser, who directed the production; her student assistants, Marianne Acque, Barbara Little, and Bonnie Parken; her stage manager, John Cafarelli, together with the many seniors working on committees, deserve great credit.



Ninian Edwards and his wife, Elizabeth Todd, look on approvingly as Stephen Douglas pays court to Mary. Mercy Levering, spreading her hoop skirt gracefully, registers girlish curiosity.

A family group in the White House relaxes, but Tad has his eyes on the "birdie."

Abraham Lincoln and Mary Todd seem quite oblivious of Elizabeth Todd Edwards and some of her guests.

## A TRIBUTE

The Class of 1960 regrets the loss of one of its outstanding members, Raymond Bailey. Ray was an excellent student and a rising basketball star. He was sincere, hardworking, and likeable. Many tributes to Ray have been written, but it is we, his classmates, who wish to praise him most. Those who have written before us mentioned his obvious attributes: honesty, courage, intelligence, good sportsmanship. We also recognized him as the personification of ability and integrity. But we knew Ray even better. An unusual person, Ray had a certain spark within him which made him a "natural" at sports and at living and gave him modesty and kindness.

How sad that our fellow classmate did not live to enjoy the many rewards which were sure to come to such an outstanding person. How sad that he could not share with us the fun of being a senior. Although Ray was not with us for our good times this year, he was not forgotten. The members of the Class of 1960, as individuals and as a class, will not forget Raymond Bailey.

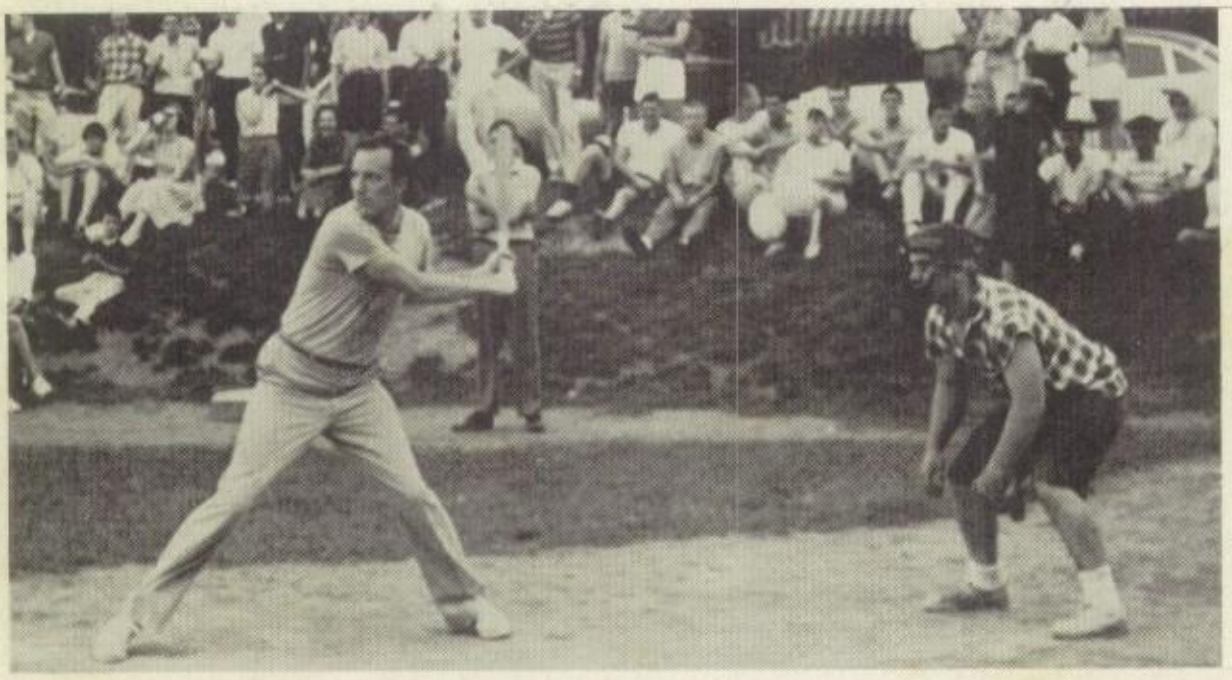
# FACULTY-SENIOR



"Joe College" Clarkson, a south-paw, exhibits professional stance as Luebck catches.

On Friday afternoon, June 3, 1960, the faculty met the seniors in a hard-fought baseball game. Although tempers flared, bases were stolen, and the faculty had umpire sympathy; the final scores of a thrilling double header were 9-6 (faculty) and 4-3 (faculty). Faculty members who helped to make the afternoon so spectacular were "Gentleman Johnny" Lay, "Twinkle Toes" Taylor, "Uncle Joey" Kursar, "Crazy Legs" Kehler, "Joe College" Clarkson, "Rubber Legs" Recchia, and Mr. Washville, Mr. Michaels, Mr. Luxemberg, Mr. Ellis, Mr. Gerber, Mr. Billman, Mr. Bonesteel, Mr. Miller,

Faculty and senior players gather around winded Mr. Luxemburg who found senior opposition too much for him.

Manager Peterson watches as Gilchrist bats for the mighty seniors.

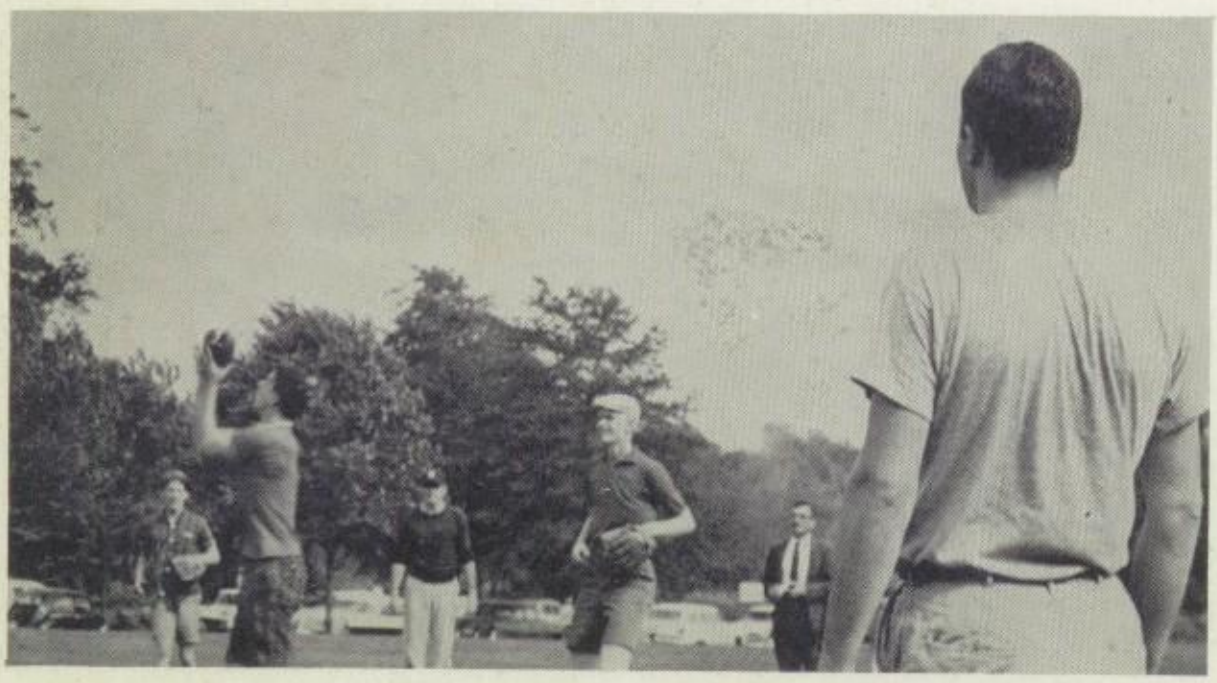
and Mr. Zorge. Dauntless senior players included manager Carl "Stengel" Petersen, "Bouncing Bob" Maltbie, "Jumping Johnny" Roediger, Dave "Strike-em Out" Sweet, Larry "Scooter" Scanlon, and Dave "Dimaggio" Mayne. Other senior members included Gilchrist, Colesworthy, Brownell, Butler, Hooper, Fogerty, Anderson, Balling Powers Wells, Witzal, Newbert, Collins, S. Shapiro, and Luebck. The hard-pressed umpires included Mr. LaCosta and Mr. Lehman as well as Seniors Wistar and James. Everyone agreed that it was a good game, well fought.

"Twinkle Toes" Taylor exhibits prize form as Luebck catches. Enthusiastic seniors watch hopefully.

Faculty and seniors have a disagreement over umpire's decision.



Senior team and "Joe College" watch as Newbert goes in to retrieve a fly.
